

What's NEW at ROSE BOWL CLASSIC

Our **69'er** Tournament 6 Games or 9 Games

As seen elsewhere on this entry form, Portland has offered a six game format for 35 years, with Singles being an All Events combination. For the past 2 years, we began giving your team the option to bowl our Rose Bowl Classic XTRA with a NINE game format, bowling three more games for your Singles Score. (\$20 additional fee for 9 Game Format).

How does this new format work?

Rose Bowl Classic Six Game:

For those teams wishing to bowl the original Rose Bowl Classic, nothing will change. Your entry fee is still only a low \$87. You bowl your Doubles either Friday night June 1st or Saturday morning June 2nd. Your team event would then follow at the team shift at 1:00 pm on Saturday June 2nd. Your Singles is still an All Events by combining your Doubles and Team event scores.

OR

Rose Bowl Classic XTRA (9 Game):

For those wishing to bowl NINE game format, there is an additional \$20 fee which covers the lane fees and Singles cash payout. If you desire to bowl this format of three events, you must bowl your Doubles on Friday night, your Singles Saturday morning June 2nd at 10am, followed by Team Event at 1 pm. Payouts will be dependent upon the number of registrations received for the Nine game/Three Event format.

BEST 3 out 6 Competition - \$15.00

This optional side event provides you with the opportunity to submit your best 3 out of your 6 game format of bowling (Team and Doubles events) for a separate prize fund. Rose Bowl Classic also offers side pots and ladders for additional ways to win extra money.

Portland's 35 Year old

“Party”

Tournament

Rose Bowl Classic

There's no other tournament like it!

Over our 35 years, we have come to realize that our tournament participants come not just to bowl, but also to party. Whether they are local, or have traveled a distance to get here, they want to have a fun time in conjunction with their bowling. For decades this has been known as *Portland's Party Tournament*. We are proud to carry on this tradition.

Since its inception in 1983, Rose Bowl Classic has continued to make every effort to maintain its unique style of tournament production. Rose Bowl Classic enjoys a legacy of originality, tradition and integrity in providing participants with a quality bowling experience in the name of fellowship, unity and communication - the ideals of our International Gay Bowling Organization (IGBO).

NEW for 2018: Dark Horse Doubles

Different than Mystery Doubles, you pull a name out of all the entries, and your combined scores win you the cash, not the other bowler.

Rose Bowl Classic Rules

1. Portland Rose Bowl Classic is a mixed competition open to men and women by invitation only, open to IGBO membership.
2. Rose Bowl Classic will be a USBC/IGBO sanctioned tournament and maintains a Moral Support Sanction for non-members of USBC. This means no change to non USBC members. Non USBC members desiring to qualify for USBC awards can purchase a USBC membership at \$26.00 (men or women).
3. The receipt of an entry and its acceptance by the RBC Committee shall regulate the number of players who participate. There will be no refunds after acceptance by the Rose Bowl Registrar.
4. Entries must be accompanied by the full amount of fees as outlined on this entry form. **RBC accepts personal checks only to Max 1st.** Money orders, or cashiers checks are preferred forms of payment, as is payment through PayPal online. There is a 3.5% processing fee per bowler for each PayPal payment to cover PayPal processing fees. It is imperative that bowlers send an accompanying email explaining for whom and what team the fees are being sent. There is a \$25.00 fee for bounced/NSF checks.
5. Team strength will consist of four (4) members of any blend of men or women, competing on an equal basis in each event. Partial teams or single entries not designating a desired team or team-mate on their entry form will be assigned by the registrar. There can be no changes once assigned. Doubles partners must come from the same team. To ensure that your team bowls together include all information and ALL fees together.
6. There are actually two tournaments in one. Rose Bowl Classic is our six game format, while Rose Bowl XTRA is a 9 game format. The number of games per event is set at three (3) during the Rose Bowl. For Rose Bowl Classic, Singles is an all events combination of the Doubles and Team event scores, while Rose Bowl XTRA has its own Singles Event. All entrants will bowl only once in each event. Portland's Rose Bowl Committee reserves the right to use substitute bowlers in emergency situations, who may have already bowled in a similar previous event. However, the re-bowl substitute can only cash once per pre-scheduled event of Doubles or Team. (Only a bowler's paid and registered scores will be valid for determining Singles All Events.
7. Substitutes are allowed to bowl at the Tournament Director's discretion. A Substitute is required to provide accurate and immediately verifiable proof of average as outlined in these rules.
8. Late bowlers will start bowling in the frame in which they are ready to bowl. Prior frames will be scored as zero. No practice balls will be allowed for late bowlers. If an event has officially started, a team has the right to request that a substitute bowler immediately take the place of a missing/late bowler. If a suitable substitute is available, they will be supplied to the requesting team. The missing/late bowler forfeits their entry fee for that event.
9. Team Captains must check in for their teams at least 30 minutes prior to the start of each event.
10. All claims of error must be submitted in writing at least 30 minutes after an event ends.
11. Cash prizes: Each event has its own prize list based on a minimum of 1 to 10 ratio of return, including both Singles Events. We proudly feature a 100% + cash return on all prize fees.
12. Any and all other events or options offered by the RBC are fun events outlined in other areas of this entry form. Participation is at the option of each bowler. These events are add-on fun events and are not USBC sanctioned events. Any issues that may arise will be resolved by the Tournament Director, Committee and/or bowling establishment.

Tournament Averages

- A. Verification of all bowlers' entering averages must accompany the entry form. All bowlers are required to submit average verification with their entry form or it may be returned without processing. The return of any entry may impact the date-sensitive entry fee, increasing the base fee. All bowlers are forewarned that waiting for a master list of league averages to be sent by their league secretary does not fulfill this requirement.
- B. The RBC Registrar will verify all submitted averages. The USBC sponsored site, and/or IGBO league and tournament average site will also be used for verifications.
- C. All bowlers who have won prize of \$300 or more in any one event in the last 12 months must report their actual scores, position and amount won at the time of this entry. Failure to do so could result in disqualification from the tournament. All bowlers are cautioned to be aware of the average adjustment requirements of USBC rule #319e.
- D. All bowlers are required to submit their previous year's averages. If a bowler's 2017-18 average is more than ten pins lower than their 2016-17 average, a five (5) pin maximum drop rules will apply USBC Rule #319e will apply in its entirety. Serious health concerns may be taken into consideration for large drops in averages.
- E. Handicaps will be calculated at 90% of the difference between 230 scratch and the entering average. Negative handicaps will not apply.
- F. Professional bowlers, identified as belonging to a professional bowling organization shall not be permitted to bowl in this tournament.
- G. Sport bowling USBC Rule 205 will be applied. A bowler must submit and use their adjusted Sport Bowling League average utilizing the USBC Average Adjustment Scale (see rule 205), if this average is higher than their sanctioned league. Failure to comply may result in disqualification.
- H. For an average to qualify, 21 or more games must have been bowled in league play. The average used shall be the highest of: A.) High average as of April 30, 2018; or if none B.) Highest Season-end average from the 2016-17 Season (minimum 21 games; or if none, then C.) Season-end average from summer league 2017.
- I. If no League average exists, as outline above, then the entering average will be set at the tournament average of 230, with zero (0) handicap. Rose Bowl will accept an IGBO Tournament Average of 21 games if 21 games exist by the May 1st deadline.
- J. It is each bowler's responsibility to verify the accuracy of his/her average, whether submitted by the bowler, team captain or others. Failure to report, and thereby use an incorrect average may result in disqualification, unless correct during registration.
- K. All averages, team lineup or other pertinent scoring and lane information must be corrected within 48 hours of receipt of bowler's confirmation sent via email by the Tournament Registrar. Failure to contact the Registrar within that time frame will result in a \$5.00 late processing fee on registration night. (Last minute changes often result in errors between the bowling house and the tournament score keeper. This \$5.00 late processing fee is designed to minimize the number of last minute changes.)
