MAIN EVENT: Base entry fee of only \$79.00. Your main USBC Sanctioned event features spirited competition for Team and Doubles events with a time savings of Singles as All Events. Your Doubles and Team events are evenly spread out over two days to allow you ample time to enjoy each day in Portland. We leave bountiful time for partying. We are still one of the lowest priced tournaments at only \$79.00.

ALL OPTIONS are *unsanctioned events due to the nature of these being optional.*

OPTION #1: Best of your Best - \$15.00

We've changed this event to occur just minutes prior to the team event, so that all your friends can cheer you on during your quest for the Lucky Strike King. Entrants will bowl alternating on a pair of lanes to garner the most strikes in 180 seconds. This optional side allows our high end bowlers the opportunity to strut their stuff and take home a special cash side pot. Please see our website to see the rules set for the **Lutes Lucky Strike** competition.

Please note: Bowlers can only enter one or the other of scratch or handicap competition of # 2 or #3.

OPTION #3: The Rest of the Best Competition - \$12.00 -

11:00 AM to Noon. (Saturday)

On a pair of lanes, this will be the "handicap version" of the Lutes Lucky Strike competition (180 seconds). Participants will bowl one at a time alternating on a pair of lanes to determine the best speed bowler with handicap. Please see our website for the **Rest of the Best** competition rules.

***NEW* OPTION #4: Our infamous & Hot Saturday Night BOXER BOWL- \$16.00.**

With it's own Cash prize and Bronze medallions, this event has put Portland on the map as "THE Party Tournament" on the IGBO bowling Circuit. New this year - Net proceeds from all the evenings Raffle ticket Sales will go directly into the Boxer Bowl Prize Fund to bolster the prize winnings. Please register in advance on our entry form so we have a count of participants in advance to allow the lanes to adjust staffing for the evening.

***NEW* Our Unique PATHETIC PERFORMANCE**

INSURANCE *FREE THIS YEAR* to mark 20 years of this service. If you do not win any money in our Team, Doubles, or Singles All Events, your name is entered into a random drawing to win back your base entry fee.

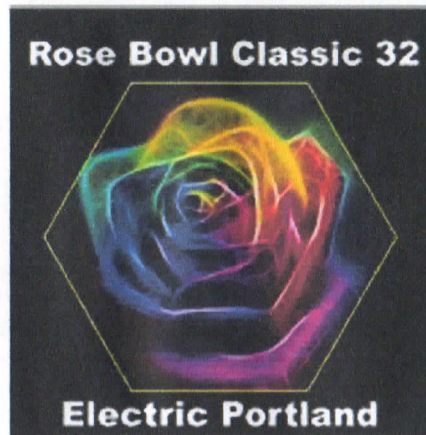

Portland's 32 Year old "Party" Tournament Rose Bowl Classic

Over our 32 years, we have come to realize that our tournament participants come not just to bowl, but also to party. Whether they are local, or have traveled a distance to get here, they want to have a fun time in conjunction with their bowling. For decades this has been known as **Portland's Party**. We are proud to carry on this tradition.

Since its inception in 1983, Rose Bowl Classic has continued to make every effort to maintain its unique style of tournament production. Rose Bowl Classic enjoys a legacy of originality, tradition and integrity in providing participants with a quality bowling experience in the name of fellowship, unity and communication - the ideals of the International Gay Bowling Organization (IGBO).

Occasionally individuals ask why we maintain a six game format. Pure and simple - to expand the enjoyment of our bowlers in participating in other social events we offer, and to allow you to leave Portland early enough on Sunday to return home in comfortable time. We realize that the IGBO Annual is typically on Memorial Day weekend, and that many of you have already taken off the previous Monday. To take off another Monday, the week following might be infringing on jobs and careers. We conduct a morning Awards Brunch that is completed by 1:00 pm to allow you time for driving or catching your flights. Come try us out.

Rose Bowl Classic desires that participants have options for various events of the tournament and that we keep it affordable for even beginner bowlers. Rose Bowl's main event is still under \$80. For your convenience, we offer several other optional events at various price levels. (Our Main event is the USBC Sanctioned event.)

## Host Hotel

We have discovered that trying to plan a host hotel for our event never quite pans out. Some bowlers wish to stay downtown, while others want to stay out by the bowling center. We book a grouping of rooms, and most of our bowlers choose their own favorite close to the location they wish to party in. Therefore we have scheduled no host hotel and *suggest you contact us personally at [PDX-bowl@comcast.net](mailto:PDX-bowl@comcast.net) if you wish us to advise you of accommodations close to your preferred location.*

## Rose Bowl Classic Rules

1. Portland Rose Bowl Classic is a mixed competition open to men and women by invitation only, open to IGBO membership..
2. Rose Bowl Classic will be a USBC/IGBO sanctioned tournament and maintains a Moral Support Sanction for non-members of USBC. This means no charge to non USBC members. Non USBC members desiring to qualify for USBC awards can purchase a USBC membership at \$15.00 (men) or \$15.00 (women), or by a \$5.00 (man or woman) participation fee (Rule #300c)
3. The receipt of an entry and its acceptance by the RBC Committee shall regulate the number of players who participate. There will be no refunds after acceptance by the Rose Bowl Registrar.
4. Entries must be accompanied by the full amount of fees as outlined on this entry form. RBC accepts personal checks only to May 1st. Money orders, or cashiers checks are preferred forms of payment, as is payment through PayPal online. There is a 3.9% processing fee per bowler for each PayPal payment to cover PayPal processing fees. It is imperative that bowlers send an accompanying email explaining for whom and what team the fees are being sent. There is a \$25.00 fee for bounced/NSF checks.
5. Team strength will consist of four (4) members of any blend of men or women, competing on an equal basis in each event. Partial teams or single entries not designating a desired team or teammate on their entry form will be assigned by the registrar. There can be no changes once assigned. Doubles partners must come from the same team. To ensure that your team bowls together include all information and ALL fees together.
6. The number of games per event is set at three (3) during the Rose Bowl (for a total of six [6] games). Singles is an all events combination of the Doubles and Team event scores. All entrants will bowl only once in each event. Portland's Rose Bowl Committee reserves the right to use substitute bowlers in emergency situations, who may have already bowled in a similar previous event. However, the re-bowl substitute can only cash once per pre-scheduled event of Doubles or Team. (Only a bowler's paid and registered scores will be valid for determining Singles All Events.
7. Substitutes are allowed to bowl at the Tournament Director's discretion. A Substitute shall register prior to Tournament play and is required to provide accurate and immediately verifiable proof of average as outlined in these rules.
8. Late bowlers will start bowling in the frame in which they are ready to bowl. Prior frames will be scored as zero. No practice balls will be allowed for late bowlers. If an event has officially started, a team has the right to request that a substitute bowler immediately take the place of a missing/late bowler. If a suitable substitute is available, they will be supplied to the requesting team. The missing/late bowler forfeits their entry fee for that event.
9. Team Captains must check in for their teams at least 30 minutes prior to the start of each event.
10. All claims of error must be submitted in writing at least 30 minutes after an event ends.
11. Cash prizes: Each event has its own prize list based on a minimum of 1 to 10 ratio of return, including Singles All Events. We proudly feature a 100% + cash return on all prize fees.
12. Any and all other events or options offered by the RBC such as The Boxer Bowl, Lutes Lucky Strike Competition are fun events outlined in other areas of this entry form. Participation is at the option of each bowler. These events are add-on fun events and are not USBC sanctioned events. Any issues that may arise will be resolved by the Tournament Director, Committee and/or bowling establishment.

## Tournament Averages

- A. Verification of all bowlers' entering averages must accompany the entry form. All bowlers are required to submit average verification with their entry form or it may be returned without processing. The return of any entry may impact the date-sensitive entry fee, increasing the base fee. All bowlers are forewarned that waiting for a master list of league averages to be sent by their league secretary does not fulfill this requirement.
- B. The RBC Registrar will verify all submitted averages. The USBC sponsored site, and/or IGBO league and tournament average site will also be used for verifications.
- C. All bowlers who have won prize of \$300 or more in any one event in the last 12 months must report their actual scores, position and amount won at the time of this entry. Failure to do so could result in expulsion from the tournament. All bowlers are cautioned to be aware of the average adjustment requirements of USBC rule #319e.
- D. All bowlers are required to submit their previous year's averages. If a bowler's 2014-15 average is more than ten pins lower than their 2013-14 average, a five (5 pin maximum drop rules will apply USBC Rule #319e will apply in its entirety. Serious health concerns may be taken into consideration for large drops in averages.
- E. Handicaps will be calculated at 90% of the difference between 230 scratch and the entering average. Handicap maximum will be set at 110. Negative handicaps will not apply.
- F. Professional bowlers, identified as belonging to a professional bowling organization shall not be permitted to bowl in this tournament.
- G. Sport bowling USBC Rule 205 will be applied. A bowler must submit and use their adjusted Sport Bowling League average utilizing the USBC Average Adjustment Scale (see rule 203), if this average is higher than their sanctioned league. Failure to comply may result in disqualification.
- H. For an average to qualify, 21 or more games must have been bowled in league play. The average used shall be the highest of: A) High average as of April 20, 2015; or if none B.) Highest Season-end average from the 2013-14 Season (minimum 21 games; or if none, then C.) Season-end average from summer league 2014.
- I. If no League average exists, as outline above, then the entering average will be set at the tournament average of 230, with zero (0) handicap. Rose Bowl will accept an IGBO Tournament Average of 21 games if 21 games exist by the May 1st deadline.
- J. It is each bowler's responsibility to verify the accuracy of his/her average, whether submitted by the bowler, team captain of others. Failure to report, and thereby use an incorrect average may result in disqualification, unless correct during registration.
- K. All averages, team lineup or other pertinent scoring and lane information must be corrected within 48 hours of receipt of bowler's confirmation sent via email by the Tournament Registrar. Failure to contact the Registrar within that time frame will result in a \$5.00 late processing fee on registration night. (Last minute changes often result in errors between the bowling house and the tournament score keeper. This **\$5.00 late processing fee is designed to minimize the number of last minute changes.)**
